INTRODUCTORY

In presenting this new Catalogue to the trade, we desire to emphasize a few important facts:

1. All our shells and castings are made of heavy gauge brass, no inferior metal or composition is used.

2. Our facilities for the manufacture of Electric Lighting Fixtures are modern and complete in every respect. Every operation is in charge of capable men having had long experience. Care is exercised in the selection of raw materials and the finished Fixtures are thoroughly inspected before they are shipped.

3. We always carry a large stock of fixtures in various finishes, which enables us to promptly fill and ship your orders.

4. All fixtures are carried in stock only in finishes specified. For any other finish except those specified an additional charge of 20% will be made and 10 days time will be required for shipment.

Shipping Instructions—Be sure to give fixture number, quantity, size and finish. Please avoid using term "Same as last time."

Prices—All prices are F. O. B. Factory.

Terms—2 per cent 10 days, 30 days net to customers having charge accounts. To those with whom we had no previous business dealing we suggest to send money order or deposit of 25 per cent of order and balance C. O. D.
